(6:30 –7:30am Meditation and Devotions)  
(10am Yajna Ceremony / chanting begins at 9:45)

#### *Instructions for Preparing for the Ceremony*

Welcome to CSE's 2020 Global Guru Purnima celebration. We're delighted to be able to offer this year's program online, and welcome participants from around the world.

We've arranged the program so that you can be an active participant in the prayers and rituals. In order to do so, please prepare your sacred space and gather the following supplies. If you don't have fruit or flower available, you can use something to symbolically represent these items.

Print out the Guru Purnima e-booklet or have it open on a device other than the one that you are using for Zoom, so you can refer to it during the ceremony. You will be guided on how to participate along the way.

*Set-up a small clean table where you can place offerings during the ceremony.*

*Prepare a comfortable place to sit where you can see your monitor or device.*
